

Individual Diverse Global Distinct  
Artists who champion good causes

Hello, I'm Alissa Lubrano from Rotterdam, the Netherlands. My digital illustrations reflect a sense of freedom, comfort, and coziness. By infusing emotion and connection into my work, inspired by everyday moments and the love I share with my mom and sister, my illustrations exude a personal and warm quality. With a touch of humor and a love for cats, my goal is to create art that brings a chuckle to your day, while also promoting representation and diversity, especially for children with curly hair like mine.
