Artists who champion good causes

Hello! I'm Anthony Aubin, a versatile artist hailing from France and currently residing in Montreal. Drawing inspiration from Belgian comics and a childhood immersed in the vibrant world of illustrations, I've honed a style reminiscent of comic book artistry, blending intricate details with vivid colors and a keen eye for light. With a penchant for character design and narrative illustration, my work reflects a continual exploration of diverse artistic expressions, always seeking new avenues for creative storytelling.

Artists who champion good causes. We work with major progressive brands to communicate their message and align our mutual values by connecting them with diverse, genuine and individual talent.
