

Individual Diverse Global Distinct  
Artists who champion good causes

I'm Brandon Isuiza, an illustrator from Iquitos, a city in the Peruvian Amazon. Growing up surrounded by nature, I draw inspiration from the region's flora, fauna, folklore, and Latin American popular art. My flat, naive style features organic lines, layered textures, and vibrant colors, aiming to convey joy. I've worked with brands like Inca Kola, Nestlé Peru, and Plan Internacional, and in 2023, I was selected for the 14th Ibero-American Illustra catalog.
