

Individual Diverse Global Distinct  
Artists who champion good causes

Hi! I'm Bruno Ferrante, an artist born, raised, and still based in São Paulo, Brazil. My work is heavily inspired by comics and sequential art, with stylized linework, dynamic poses, and a strong focus on character design. I work mostly digitally, mainly in Photoshop, while also using Procreate and Illustrator when needed. More than anything, I love creating unique characters that tell stories, connect with people, and hopefully make someone feel happy or seen.
