Artists who champion good causes

Buse Kacar is an illustrator from Istanbul, Turkey, but currently based in Germany. She earned her Bachelor's degree in Plastic Arts & Painting. After graduating, Buse also received a pedagogical formation. Buse's work mainly focuses on children's toys, books, and puzzles, and the editorial markets. She aspires to create art to celebrate cultural diversity and to craft a world free from bias.

Buse is inspired by the cartoons she watched as a kid, and tries to create a similar experience of warmth and attention to detail, so the audience can find something new with every viewing.
