Individual Diverse Global Distinct
Artists who champion good causes

Hello, I'm Circle Yuen (she/her), an award-winning author and illustrator born in Hong Kong and now based in the UK. My work transforms personal experiences of family restructuring and co-parenting into emotionally rich, healing narratives for children. A graduate of the MA in Children's Book Illustration at Cambridge School of Art, I champion social justice and empathy through art. My debut picture book *Our Dance: Living Apart, Time Together* (Graffeg) is the first UK picture book to address child contact centres, created with the National Association of Child Contact Centres. I make complex emotions accessible for children, and when I'm not creating, I cherish quiet moments with my bunny Cha Cha or the freedom of swimming.
