

Individual Diverse Global Distinct
Artists who champion good causes

Hey there, I'm Jade Choung, a digital artist with a knack for emotional storytelling and inclusive representation. Hailing from a mix of Long Beach, California, and Fargo, North Dakota, I now call Beijing, China, home sweet home. My art journey blends vibrant palettes, layered compositions, and a sprinkle of personal textures to create characters oozing with authenticity and expression. Drawing inspiration from travel, anime, and video games, I weave tales that champion diversity, neurodiversity, and educational access. Through my art, I aim to build a more empathetic, inclusive, and creative world that resonates with the soul.
