Individual Diverse Global Distinct
Artists who champion good causes

Hi! I grew up barefoot in rural New Zealand and am now based on the Mediterranean coast near Barcelona. My vibrant illustrations, sprinkled with quirky imperfection, aim to spark joy and imagination through cute characters who always find themselves in a pickle, bringing laughter and whimsy to children and adults alike. With a focus on picture books, I aspire to ignite a love for reading and drawing in children's minds, encouraging them to pick up a crayon and say, "I can draw that, too!"
