

omer hoffmann

Individual Diverse Global Distinct
Artists who champion good causes

Omer Hoffmann is an illustrator, cartoonist and the occasional author. He is based in The Netherlands. Omer's work is best described as whimsical, humorous and energetic. He often delights in drawing messy, absurd scenes that allow him to insert small hidden details, meaningless references or just plain, silly situations. Luckily for him, people enjoy it and Omer has illustrated 16 picture books so far.
