Artists who champion good causes

Sandie is a Southern Californian native and a graduate of Cal State University Fullerton with a degree in studio art. She found her passion for art at an early age and always finds joy simply sketching in a sketchbook or drawing tablet. A wearer of many hats; she is also a freelance illustrator, wife, and mom to two sweet and silly kids who inspire her daily.

She loves to create whimsical and colourful illustrations. Her hope is to bring a little happiness to those who view her work.
