Artists who champion good causes

I'm Sara Fandrey (she/her), an Italian children's book illustrator currently living in Portugal. I've been drawing since I was four, but only pursued it professionally at 31, when I joined the Children's Book Academy "Ars in Fabula" and fell in love with picture books. In 2025, my storyboard was a finalist for the "Livio Sossi" Editorial Illustration Award. I use a mix of traditional and digital media, creating whimsical characters and soft, vintage-inspired palettes. When I'm not drawing, I'm usually running after (or reading to) my two kids.
