Individual Diverse Global Distinct  
Artists who champion good causes

Hello, my name is Taiye Okoh. I'm a children's book illustrator from Nigeria. From a young age, I've always had a flair for art and a passion for creativity, drawing every single day. As I grew up, I fell in love with cartoons and animated shows, which sparked my desire to tell stories through vibrant visuals and unique characters. Since 2019, I've been teaming up on fantastic projects that celebrate storytelling for kids, and I've had the joy of working on several delightful children's books. Lately, I enjoy diving into the world of 2D animation, with the goal of bringing whimsical characters to life in even more exciting ways! When I'm not drawing, I enjoy spending quality time with my family and two lovely cats, taking walks, exercising, and learning new things!
