Zeynep Özatalay is an Istanbul-based illustrator. She has a BA in graphic design. She has always used illustration as a way of expressing ideas and feelings, and she's inspired very much by nature. She enjoys creating both editorial illustrations and children's books, and tries to further develop her style with every new artboard. She usually prefers creating digital art, but sometimes works with traditional media on her personal projects. Recently, she's been living on an island in Istanbul with cats, horses and seagulls.
